

ROKFORM was founded in 2010 with a mission to create phone accessories that are made of the highest quality and designed to last the test time. Their goal is to provide our customers with products that are not only protective and durable, but also stylish and functional. They take great pride in ensuring that their products are crafted with the finest materials and engineered to provide superior protection and performance.

The ROKFORM commitment to quality and innovation has helped them become a leader in the phone accessory market.

As a distributor of ROKFORM products, you can expect to offer a high-quality brand of cases and accessories to your customers. Unlike other accessory resellers that offer generic phone accessories or lookalike products, the ROKFORM brand will stand out on your shelves. Your customers will appreciate the quality and attention to detail that ROKFORM products offer.

Non-Magnetic and
Magnetic Center Plug
included

ROKFORM cases are the perfect choice for those who need protection for their phone without sacrificing style. Their cases are made from the highest quality materials, and are designed to protect your phone from drops, bumps, and scratches. The military-grade materials used to craft these cases are thin and light, making them ideal for everyday use. Not only are they light and thin, but they are also rugged enough to handle the toughest elements. With a ROKFORM case, you can rest assured that your phone will be safe and protected.

At ROKFORM, we believe that phone accessories should not only look good, but also be of the highest quality and durability.

We are passionate about creating phone accessories that are both stylish and protective, and that will last for years to come. From the design to the construction, we ensure that our products are of the highest quality and will meet the needs of our customers. We take great pride in providing our customers with phone accessories that are both fashionable and reliable.

ROKFORM products are designed to make your life easier. Whether you are in the car, on your bike or motorcycle, or just running errands, ROKFORM has the perfect product for you. From phone holders to bike mounts, they have something for everyone. With their innovative designs, you can be sure that your device is protected and safe. So, if you are looking for a product line that is designed with the modern customer in mind, ROKFORM is the perfect choice.

ROKFORM also provides a wide selection of accessories such as cases, chargers, speakers, mounts, and holders, so you can conveniently use your phone while on the move. Whether you're walking, running, golfing, or biking, you can be confident that your device is secure and protected with ROKFORM.

The ROKFORM phone mounts are a must-have with a sleek, stylish design, they are the perfect combination of power and convenience. Made from high quality materials, they are designed to be powerful, no matter how often you use them. Our magnetic mounting system is safe for all phones, and so easy to use that you'll be instantly hooked!
